Dear Sir:

An in-person interview was conducted between Examiner Minh Chau Nguyen and applicant's representative, Yenyun Fu. The undersigned representative wishes to thank Examiner Minh Chau Nguyen for the in-person interview conducted on November 1, 2010.

During the interview, the following matters were addressed:

1) Examiner Nguyen indicated an impending Restriction Requirement in response to which Applicant instantly made a verbal election of claims 1, 85, and the associated dependent claims. Applicant requested the Examiner, in view of the verbal

election, to withdraw from consideration in the present application, independent claim 95 and its associated dependent claims.

2) Examiner agreed with Applicant that the amendments to independent claim 82 overcome the 35 U.S.C. 101 rejections.

3) The formally-submitted claim amendments in the filed Response to the Final Office action of April 28, 2010 were discussed in view of the cited references Hales and Lahr. As a result of such discussion, the Examiner has requested that applicant provide clarifying amendments in a Supplemental Response, which applicant will prepare and file.

Applicant wishes to thank the Examiner for the provided guidance.

Dated: November 3, 2010

Respectfully submitted,

By /*Yenyun Fu*/
